File No. 11-162-2010-NBA

Date: 20-11-2020

To,
The Principal,
University College of Engineering,
JNTU Kakinada- 533003
Andhra Pradesh.

Vice-Principal

Subject: Extension of the Period of Accreditation granted to PG Engineering programs offered by University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh.

Sir,

This has reference to NBA's letters of even number dated 08.06.2017, 27.02.2018 and 17.06.2019 respectively under which following PG Engineering programs offered by your Institution were granted provisional accreditation for 3 years by National Board of Accreditation:

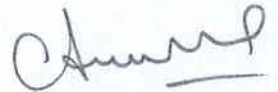

1. Computer Science & Engineering
2. Structural Engineering
3. High Voltage Engineering
4. Machine Design
5. Instrumentation & Control Engineering
6. Information Technology
7. Advanced Electrical Power System
8. CAD/CAM
9. Soil Mechanics & Foundation Engineering
10. Computer & Communication Engineering

2. The National Board of Accreditation (NBA) has decided that in all cases of PG Engineering programs which were accredited for a period of 3 years upto 30-06-2020 in which the Institutions concerned have not been able to apply afresh for accreditation of the programs or if applied, the accreditation process could not be completed due to the current situation arising out of the pandemic caused by the Corona virus, the programs would be considered for accreditation of one year after expiry of the validity of accreditation on 30-06-2020 on the basis of the programs meeting the pre-qualifiers. The data submitted by **University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh** in the Pre-qualifiers has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) (PG)	Basis of Evaluation	Accreditation Status	Period of extended validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	May, 2017 document	Accredited	Academic Year 2020-2021, i.e. upto 30-06-2021.	Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Structural Engineering		Accredited		
3.	High Voltage Engineering		Accredited		
4.	Machine Design		Accredited		
5.	Instrumentation & Control Engineering		Accredited		
6.	Information Technology		Accredited		
7.	Advanced Electrical Power System		Accredited		
8.	CAD/CAM		Accredited		
9.	Soil Mechanics & Foundation Engineering		Accredited		
10.	Computer & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.
4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh** as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
5. The accreditation status of the above programs is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.
6. The accreditation status awarded to the programs as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
