Sir,

Handwritten: VA 28/12/21

This has reference to NBA's letters of even number dated 08.06.2017, 27.02.2018 and 20.11.2020 under which PG Engineering programs offered by your Institution was granted provisional accreditation for 3+1 years by National Board of Accreditation.

2. The National Board of Accreditation (NBA) has decided that all programs which had been accorded accreditation for a period of 3+1 years (2017-21) and 3 years (2018-2021) in Tier-I/Tier II January 2013 document, will be considered for accreditation for the Academic Year 2021-22 on account of the current pandemic situation arising out of second wave of the Corona Virus and on the basis of meeting the pre-qualifiers. The data submitted by **University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh** in the Pre-qualifiers have been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

4. The programs have been granted extension of duration of accreditation for one year. **University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh** is requested to apply afresh for accreditation of the programs in the new SAR Document. The application may be submitted online on e-NBA portal by 31st December, 2021.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **University College of Engineering, JNTU Kakinada- 533003 Andhra Pradesh** as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the programs as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
